Welcome to this month's Price Guide. Here you will find the latest values for all of the toner cartridges and mobile phones that we accept.

Before reading on we would like you to take note of the following points:

- The types of product we accept and the prices we pay can vary on a monthly basis.
- EmptyCartridge Ltd encourages you to re-use old boxes as you prepare your packages for collection.
- **IMPORTANT**, we can only pay if you have 30 or more toner/laser cartridges of **value** or 55 to a pallet, this is due the cost of diesel, courier fuel surcharge, safe disposal, and Environment Agency fees.
- If you don't have any laser/toner cartridges or cannot meet the minimum we do have a separate scheme just for you. Please do let us know.
- Inkjet cartridges and mobile phones are still being collected as normal and are not affected.
- Inkjet cartridges or mobile phones need to be kept separate then placed in a separate box with acc no or name ready for collection. This due to damage & contamination and also are sent direct to the remanufacturing factory.
- EmptyCartridge Ltd will only credit your account if your collection has 30 (Laser/toner) or more of value. If you are in any doubt as to the acceptance value of any cartridge or mobile phone please call.
- Payment will be made once you accrue a balance of £30 or more.
- We prefer to pay by BACS (its quicker) please let us know if you wish to.
- In general we only purchase originally manufactured cartridges. There is no value for refilled cartridges, compatible cartridges or Epson cartridges (unless otherwise listed). Broken cartridges have no value so please ensure that your items are packed carefully prior to collection.
- **IMPORTANT**, we cannot currently recycle toner bottles, tanks, tubes and ribbon cartridges. If we receive these items, we will have to deduct/charge 50p each for their safe disposal.

We wish you all the best with your recycling efforts. If you have any questions please call 01483 577747.

**Important:-*

Prices shown are valid provided a minimum of 30 cartridges in value listed below are returned per collection.

Or a minimum of 65 cartridges listed below are returned per pallet or 5 Inkjets or 2 Phones per freepost bag

IMPORTANT Please note the following:-

Pricing quoted for empty cartridges are for cartridges used once only from new unless otherwise stated.

All returned cartridges must be packaged carefully to avoid damage.

Damaged Cartridges will not be eligible for payment under this program.

We do not pay for remanufactured cartridges containing aftermarket casing, new build cartridges and Xerox / Lexmark versions

Items sent via Freepost:

Due to the Post office new charging rules and higher costs we now have to now deduct 10p per Epson/Canon tanks

Freepost must contain a minimum of 5 inkjets cartridges or 2 mobile phones of value before payment can be made

Excessive Waste Charge:

Due to increased fuel, waste treatment and Environment Agency fees, we can not accept Drum units, Fusers, Ribbons, Toner Kits, Toner Bottles, damaged Toners, Non-virgin and non specified items received and items not on our current list. Especially we have no choice but to deduct/charge 50p for the cartridges highlighted in RED. Please consult the cartridge list.

For cartridges not listed please call for an individual quotation prior to returning them.

We cannot accept Lexmark or Xerox compatible HP cartridges unless stated

Prices quoted are inclusive of VAT.

Prices are subject to change without notice. However, this document is reviewed regularly and the most current version

with our latest prices can be downloaded and or printed from our web site.

The price paid is the prevailing price on the day we receive your cartridges unless prior arrangements have been made.
